2020 Vienna Alcohol School

CANCELLED

April 19-24, 2020
Vienna, Austria

Due to rapidly escalating health concerns relating to the spread of coronavirus disease (COVID-19), the 2020 Alcohol School in Vienna, Austria has been cancelled for 2020. We have rescheduled the school at the same location on April 18-23, 2021.

The Ethanol Technology Institute and Lallemand Biofuels & Distilled Spirits leadership has been closely monitoring the spread of COVID-19, as well as listening to advice from the World Health Organization (WHO), U.S. Center for Disease Control (CDC), and the Austrian government regarding risks associated with international conferences and other large gatherings in enclosed spaces. Our decision to cancel the school was based on deep concern for the health and well-being of our registrants and staff. It has become clear that it will not be possible to hold the school in a manner in which we could reasonably ensure the health and safety of all participants.

We recognize many of you will be disappointed in this decision and we share your disappointment. However, your health and safety is our paramount concern.

We cannot thank you enough for your understanding, support, and well wishes during a difficult time for all. We extend our heartfelt wishes that you and your families remain in good health.

Will my registration fee for the school be refunded?

We intend on rolling over all registrations for the school occurring in 2021. However, if you would like a full refund immediately, please contact us Liz Ward at lward@lallemand.com to get the process started.

Other questions or concerns?

Please contact your local Lallemand Biofuels & Distilled Spirits representative or Liz Ward at your convenience.
